VIKE[®]

**TUNGSTEN
MANUFACTURING
EXPERT**

COMPANY INFORMATION

VIKE is the most professional manufacturer of Tungsten fishing products in China, such as Tungsten sinkers, Tungsten jigs and other fishing lures. At present, we supply a wide range of fishing sinkers and jigs, and we also OEM & ODM for many customers worldwide.

VIKE processes enormous tungsten reserves in China and equipped with certain first-class advanced machines. VIKE also gained matured achievements & experience thanks to a highly-qualified technical team which has solid theoretical guidance and extremely rich -practising experience in the aspects of powder metallurgy, press processing and shape processing.

VIKE had received the trust and long-term purchasing orders from world-famous companies from United States, Canada, Russia, Japan and Korea for years of constant strive. And VIKE would render more clients from the world our untiring OEM or ODM services.

TUNGSTEN SEA BREAM HEAD

Made by tungsten, which is a material boasting high specific density and high hardness, it is possible to clearly convey the arrival to the deeper and farther seabed to the angler's hand.

A simple round shape that achieves a stable fall posture and a smooth fall by moving the centre of gravity slightly forward. Comes with silicone skirts to attract Snapper.

NEW TUNGSTEN BREAM BALL

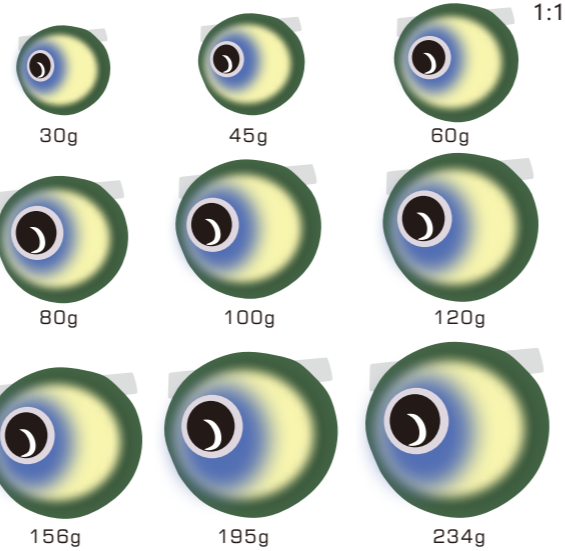

Tungsten Tai Rubber Head – Another popular style for Tai/Japan Sea Bream. It need to retrieve the tai rubber from the bottom while we fall it and retrieve it slowly with steady speed.

A heavy weight model of 156g / 195g / 234g specializing in this fishing has been added to the lineup, which help make it possible to fish comfortably even in difficult situations where the wind and tide are fast and you had to give up until now.
